35MM FILM PHOTOGRAPHY

WITH PATRICIA BOHACKYJ

SATURDAY 30 SEPTEMBER & SUNDAY 1 OCTOBER
TWO DAY WORKSHOP, 12 - 4PM

Learn about the basic controls of a camera, such as aperture, shutter and film speed for correct exposure. Process black and white film using a daylight tank, scan film images digitally and print images without a darkroom.

Participants will also cover the art of good composition using natural and artificial lighting in the studio.

BYO 35mm working camera, or for a $10 fee students can hire a camera for the two day workshop.

Ages 16 +, Suitable for beginners and photography enthusiasts

COST $125/$115 FRIENDS. All materials provided.

Enquiries phone (02) 4227 8500. Bookings through Eventbrite, go to www.wollongongartgallery.com
