The Gallery's [Enrichment Program](#) is offering art workshops for Years 7 & 8 Students in Term 4!

Our program will begin with a guided tour of *The Gentle Project* which celebrates the life and legacy of artist Ian Gentle, who lived and worked in the Illawarra from 1986 – 2009. Presented across multiple sites The Gentle Project includes a major retrospective at Wollongong Art Gallery. *Horny Sticks and Whispering Lines* is a comprehensive survey of Ian Gentle's artistic output including prints, sketches, installations, and sculptural works while *A Gentle Response* is an exhibition focussing on Ian Gentle as a friend, mentor, and artist colleague.

The tour will be followed by a workshop led by local artist and educator [Kate Stehr](#). In this workshop students will learn how to create woven sculptural forms, using green willow branches. Students will explore the practise of Gentle as well as artists Will Beckers and Laura Bacon. The focus will be on the creation of semi-abstracted, organic sculptural forms, which celebrate the natural flexibility of the willow branches.
